7. (Internal Use Only - PLC) Called the office of George Gilbert, OMB, in response to their request for the Agency's comments by noon today on proposed testimony on S. 1988, "Interior Fisheries Zone Extension and Management Act of 1973," by Howard W. Pollock, National Oceanic and Atmospheric Administration. In Gilbert's absence, I left a message with his secretary that the Agency's role with the NSC Interagency Task Force, which has been commenting on the bill, has been purely in a staff capacity and that we have no separate views on the merits of the legislation. Before calling OMB, the Agency position was discussed with [redacted] OBGI, who is the CIA member of the Task Force. [redacted] STATSPEC
